MANAGEMENT DISCUSSION AND ANALYSIS

SPECIAL NOTE ON CORONAVIRUS PANADEMIC

By mid of March 2020, the outbreak of Coronavirus (COVID-19) pandemic has been rapidly spreading throughout the world, including India causing significant disturbance and slowdown of economic activity. The immediate lockdown resulted muted sales due to closure of factory, office and transportation. As the company is under the substantial acquisition of shares and takeovers process, the new management took benefit of this lockdown in checking and maintenance of machinery. As the operation of all the plant is shut down, management find it better time to repair the same with the help of some labours, who were living in the factory premises only. The company's manufacturing facilities were shut down from 23rd March, 2020 for 32 days. Looking at current situation the company does not predict any significant effect of Covid-19 on profitability. The Company is continuously monitoring the situation and taking necessary actions in response to the developments, to minimize the impact on the business of the Company.

COMPANY'S BUSINESS

The Company's principal line of business is manufacturing of Cotton Yarn, The Company has spinning units near Rajkot, Gujarat with an installed capacity of 39648 spindles. Company has setup 2 spinning units, out of which capacity of 1st unit is of 19584 spindles and 2nd unit is of 20064 spindles.

OVERALL REVIEW

The overall profitability of the Company during the year under review, as compared to the previous year, has been adversely affected due to unfavourable market conditions prevailing for a major part of the year in all the business segments and to some extent towards the latter part of the March profitability also got impacted on account of the lockdown pursuant to Govt.'s directives to prevent spread of pandemic COVID 19.

Moreover, as you are aware, the Board of Directors of the Company, entered into share purchase agreement on 17th march,2020, for which purpose letter of offer was filed on 26th may,2020 and the open offer was started on 3rd June,2020 and closed on 16th June,2020. All the shares offered by the public shareholders was accepted and consideration was paid on 25th June,2020.

INDUSTRY STRUCTURE AND DEVELOPMENTS

The COVID 19 break down in the second half of March led to lockdown and spread worst effect in all economies world-wide. The above break down has put a lot of pressure on Textile industry in India which was already facing a lot of challenges due to delays in receiving the GST refunds as well as delay in receiving the export benefits. Indian textile industry is facing huge liquidity crunch and uncertainty pertaining to future orders

OPPORTUNITIES

First half of FY 21 is expected to be very tough and the second half is expected to give some relief to the business and the society in general if all the countries specially India is able to control the COVID 19 Pandemic.

There could be a positive side for textile business as USA and EU customers who will be looking for alternative for China, may move to other countries such as India, Vietnam, Bangladesh etc. Hence it is expected that demand will increase in textile fabrics for exports, but we need to ensure that we prepare ourselves to take the advantage of the expected business which might drift away from china.

SEGMENTAL REVIEW AND ANALYSIS

Despite of facing adverse atmosphere in domestic textile industry and COVID-19 pandemic, there is no significant decrease in annual turnover of the company. However, it didn't touch the desired target, but the turnover of our company is quite good compared to other textile companies.

RISKS AND CONCERNS

Overall there is no such material negative impact on company is expected because market started its routine functions as government declared unlock activities. Textile industry is affected due to this pandemic but after unlocking the demand started and many domestic as well as foreign orders are pending. However, growth of the company may not reach as it was targeted but there will not be significant material effect.

OUTLOOK

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. The main reason for increase in domestic consumption is the government mission for self-reliant India, government and many socialist promotes domestic consumption and after this pandemic human mentality also got changed and favours “Made in India” products. Moreover, US and EU countries are also looking for alternative of china and therefore it is also expected for increase in exports.

An important development in the global textile trade is the fall in China's predominance, which presents a ray of hope for India to up its market share. However, the fast emergence of new textile manufacturing hubs like Vietnam and Bangladesh can upset India's calculations in a changing market, driven by market access and the policy support given by the respective governments to empower the textile chain. Also, emerging regional trading agreements can script a paradigm shift in future trade and investment flows. Further, India has to work towards eliminating trade barriers, and needs to take measures to expand market access.

India should aim to strengthen the textile value chain. Out of its total exports of textiles and apparel, more than 50% is contributed by textiles. The scope of value addition is higher in downstream activities like fabric processing and weaving. These steps are necessary to promote self-reliant India mission.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has adequate internal control procedures and systems commensurate with its size and nature of its business for purchase of raw materials, plant and machinery, components and other items and sale of goods. The checks and controls are reviewed by the Audit Committee for improvement in each of these areas on a periodical basis. The internal control systems are improved and modified continuously to meet with changes in business conditions, statutory and accounting requirements. Moreover, the new management has expert team for technical staff, who are already trained and are able to manage production cycle smoothly.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial performance of the Company has been discussed at length in Director's Report to the Members.

HEALTH, SAFETY AND SECURITY MEASURES

The Company continues to accord the highest priority to health and safety of its employees and communities it operates in. The Company has been fully committed to comply with all applicable laws and regulations and maintains the highest standard of Occupational Health and Safety and ensures safer plants by conducting safety audits, risk assessments and periodic safety awareness campaigns and training to employees. We believe in good health of our employees.

Currently to prevent the spread of pandemic COVID-19, the Company has taken all precautionary measures required, such as social distancing, use of masks and sanitizers etc., at all its plant and construction sites as well as at office locations. Your Company is in full compliance of all Government directives issued in this behalf.

Disclaimer of Opinion

We have audited the accompanying standalone financial statements of **Angel Fibers Limited** ("**the Company**") which comprises the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Disclaimer of Opinion section of our report, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and loss, and its cash flows for the year ended on that date.

Basis for Disclaimer of Opinion

- a. The Company has not carried out an inspection of its fixed assets and has not maintained a register of fixed assets during the year under review. Consequently, we were unable to carry out auditing procedures necessary to obtain adequate assurance regarding the quantities and condition of fixed assets, appearing in the balance sheet at Rs. 757,236,736. There were no other satisfactory audit procedures that we could adopt to obtain sufficient evidence regarding the existence of such fixed assets. Accordingly, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Any adjustment to the figure may have a consequential significant effect on the loss for the year and net assets as at March 31, 2020.
- b. The Company has not carried out an inspection of its inventories during the year under review. Consequently, we were unable to carry out auditing procedures necessary to obtain adequate assurance regarding the quantities and condition of such inventories appearing in the balance sheet at Rs. 182,144,117. There were no other satisfactory audit procedures that we could adopt to obtain sufficient evidence regarding the existence of such inventories. Accordingly, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Any adjustment to the figure may have a consequential significant effect on the loss for the year and net assets as at March 31, 2020.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are

further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. Key Audit Matters

Except for the matter described in Basis for Disclaimer of Opinion and Material Uncertainty Related to Going Concern section, we have determined that there are no other key audit matters to communicate in our report.

Emphasis of Matter

To assess the recoverability of certain assets, the Company has considered internal and external information up to the date of this report in respect of the current and estimated future Indian economic indicators consequent to the global health pandemic. The actual impact of the pandemic may be different from that considered in assessing the recoverability of these assets. Our opinion is not modified in respect of this matter. We draw attention to note no. 4 & 5 of the half yearly financial results with respect to Covid-19 impact on the financial statement.

We draw your attention to Note 2.6 of the section Summary of Significant Accounting Policies where the Company has not complied with the provisions of AS 15 – Employee Benefits with respect to creating a provision for leave encashment expense payable to its employees. The Company determines the liability for defined benefit plans on actual payment basis only.

Our opinion is not modified in respect of this matter.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholder’s Information, but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B

Referred to in point f. of the section Report on Other Legal and Regulatory Requirements of the Independent Auditors' Report of even date to the members of Angel Fibers Limited on the standalone financial statements for the year ended March 31, 2020

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. In conjunction with our audit of the standalone financial statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over the financial reporting of **Angel Fibers Limited** ("the Company") as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect of financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2020:

- a. The Company has not carried out an inspection of its fixed assets and has not maintained a register of fixed assets during the year under review.
 - b. The Company has not carried out an inspection of its inventories during the year under review.
 - c. The Company does not have an internal process to report deficiencies in internal control to management on a timely basis.
9. The system of internal financial controls over financial reporting with regard to the Company except as stated above, were not made available to us to enable us to determine if the Company has established adequate internal financial control over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2020.

1. General Information

Angel Fibers Limited (the "Company") is engaged in the business of Spinning of cotton yarns. The Company is a public limited company and is listed on the SME platform of BSE.

2. Summary of Significant Accounting Policies

2.1. Basis of Preparation

The standalone financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. The financial statements have been prepared to comply in all material aspects with the accounting standards notified under Companies (Accounts) Rules, 2014, as amended from time to time and other relevant provisions of the Companies Act, 2013 except as stated in the notes below.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

2.2. Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Accounting Standard (AS) 3 "Cash Flow Statements. The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

2.3. Plant, Property and Equipment and Depreciation

2.3.1. Plant, Property and Equipment

a. Tangible Assets

All tangible assets are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalised until the assets are ready for use and includes freight, duties, taxes and expenses to acquisition and installation.

Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Losses arising from the retirement of, and gains or losses arising from disposal of tangible assets which are carried at cost are recognised in the Statement of Profit and Loss.

Angel Fibers Limited

Notes to Standalone Financial Statements for the period ended March 31, 2020

b. Intangible Assets

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the new disposal proceeds and the carrying amount of the asset and are recognised as income or expense in the Statement of Profit and Loss.

2.3.2. Depreciation

a. Tangible Assets

Depreciation is provided on a pro-rata basis on the written-down value method ('WDV') over the useful lives of the assets specified in Schedule II of the Companies Act, 2013.

The following tangible asset classes have a useful life different from the useful life stated in Schedule II of the Companies Act, 2013:

Tangible Asset	Useful life (in years) *
Machinery	16 years

*Based on future projections, the Company has estimated the economic life of these assets as stated above and accordingly these assets have been amortized.

c. Intangible Assets

Intangible Assets are amortized on a written-down value basis over their estimated useful lives.

b. Impairment

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount.

2.4. Investments

Investments that are readily realisable and intended to be held for not more than a year from the date on which such investments are made are classified as current investments. All other investments are classified as long-term investments.

Long-term investments are stated at cost, except where there is a diminution in value (other than temporary) in which case the carrying value is reduced to recognise such a decline. Current investments are carried at lower of cost and fair value, computed separately in respect of each category of investment.

2.5. Inventories

Inventories comprise of raw materials, work-in-progress and finished goods (manufactured and traded). Inventories are valued at the lower of cost and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost is determined on Weighted Average basis. Cost includes all charges

Angel Fibers Limited

Notes to Standalone Financial Statements for the period ended March 31, 2020

in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. The cost of work-in-progress and manufactured finished goods comprises of materials, direct labour, other direct costs and related production overheads as applicable.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

2.6. Employee Benefits

a. Defined Contribution Plans

The Company's contribution to provident fund (in case of contributions to the Regional Provident Fund office), pension and employee state insurance scheme are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contributions made on a monthly basis and are charged as an expense based on the amount of contribution required to be made.

2.8. Revenue Recognition

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there is unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise the assets. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternate Tax credit is recognised as an asset only when and to the extent that there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit is written down to the extent that there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.
